

# OUTDOOR AND INDOOR DINING REQUIREMENTS

## WHAT YOU NEED TO KNOW:

Masks are now optional for vaccinated customers. Please respect the health and safety of our staff and diners around you.

We are not taking reservations at this time. If there is a wait, we would be happy to add you to our waitlist, and we will call you when your table is ready. We ask that one person checks in and your party waits out front or near your vehicle to avoid crowds in the hallway. Feel free to check back in with us if there is a longer than usual wait time. Due to limited seating capacity, we are only able to seat parties of 8 or fewer.

If you have any seating questions you can call us **603-431-1074**.

## IF YOU ARE EXPERIENCING ANY OF THE FOLLOWING SYMPTOMS:

- **FEVER**
- **RESPIRATORY SYMPTOMS SUCH AS SORE THROAT, COUGH, OR SHORTNESS OF BREATH**
- **CHANGES IN SENSE OF TASTE OR SMELL**
- **FLU-LIKE SYMPTOMS SUCH AS MUSCLE ACHES, CHILLS, AND SEVERE FATIGUE**

Please stay home and visit us another day or use our contactless take out option by calling **603-431-1074**.

Our food/drink menu can be reviewed on our website. Customers will enter through the front door and be escorted to the right to their table and will exit the building through the Lower deck using the front door.
